Mission Prompts

- What is the most meaningful change you want to see in the world?
- What do you want most for the world?
- If you have only 5 minutes before you left this planet and you were speaking to the most important person or people in the world to you, what would you want to leave them with?
- If you were to write a book what would it be about? More specifically when someone puts down that book, what do you want them to know?

Vision Prompts

- What are the qualities or experiences that you would like to see in the world?
- What area excites you most? Business? Relationships? Family?
- Area you have struggled with the most?
- What do you love to talk about? Read about?
- What “after” do you want for people?
